Parent SURVEY Feedback

01

Communication

Staff will be on the playground before school so you are able to speak to them about any notices or concerns; weekly newsletters are sent out with updates; dates for the term ahead will be shared as soon as possible; Open Classroom events will be held again this year so your child can share their work with you; reading and maths cafes will be running again; reviewing communication processes across the school.

02

After school club provision and more clubs offered for free

Currently we have some clubs up and running. School Council will be looking at how to increase this across the year.

Carleton Rode Primary School

03

Homework

Children will learn spelling patterns in class each week, learn the meaning of words in context and practice writing them in sentences. There will not be a formal spelling test for the words shared as we believe the most effective way to learn spellings is in context. We encourage children to regularly read at home to an adult and share stories. Children can record these in their reading records. Knowledge Organisers are shared at the start of a History, Science or Geography unit of work. Within these are home learning tasks which the children are able to complete, bring in and share with their class.

04

Further opportunities to learn musical instruments 1:1

Rocksteady continue to deliver lessons in school time. However, we now have Totally RAD who provide 1:1 music lessons on Piano, Guitar or Ukulele.
